MANUFACTURER'S CERTIFICATE

(This document is not required by an import regulation, it is voluntarily issued)

Siegersbrunn/Germany

We confirm that the molded INKA particle board pallets destined to be exported to the **REPUBLIC of KOREA** by our client/ distributed via our reseller

Company:

Address:

city, country:

are manufactured, in the same way as particle board. After drying the wood at 300 F degrees to a moisture content of only 4 % , it is molded in addition with synthetical binder under a pressure of approx. 1300 psi and 400 F degrees. This molding process can not be survived by any living plant pests.

Therefore these pallets are **entirely composed of manufactured wood** according to the international guidelines for phytosanitary measures IPPC-ISPM15

We confirm that these molded particle board pallets are heat processed, so they are of manufactured wood according to the korean import regulation (June 1, 2005) and totally free from any plant pests according FAO-IPPC-ISPM15!
