## **MANUFACTURER'S CERTIFICATE**

(This document is not required by an import regulation, it is voluntarily issued)

Siegertsbrunn/Germany

We confirm that the moulded INKA particle board pallets used in this consignment by our client distributed via our reseller

**company**

**address**

**city, country**

are manufactured, in the same way as particle board. After drying the wood at 300 F degrees to a moisture content of only 4 % , it is moulded in addition with synthetical binder under a pressure of approx. 1300 psi and 400 F degrees. This moulding process can not be survived by any living plant pests.

Therefore these pallets are **entirely composed of manufactured wood** according to the international guidelines for phytosanitary measures IPPC-ISPM 15.

**We confirm that these moulded particle board pallets are of processed so they are considered as sufficiently processed and totally free from any plant pests according to FAO-IPPC-ISPM15!**
